Welcome to Creekside

Introducing Creekside; an exciting new shared ownership opportunity.

Delivered by local developers, Gilbert & Goode, Creekside provides thoughtfully designed homes that combine modern living with the natural beauty and strong community feel that Mylor Bridge is known for.

Situated just a short distance from the heart of the village, you'll enjoy access to local amenities including a shop, café, primary school, and scenic walking routes, as well as the nearby harbour yacht club.

With the Carrick Roads and beautiful creeks on your doorstep, this is the perfect location for those who love coastal walks, sailing, and the outdoors.

Nearby Falmouth and Truro provide a wider range of shops, restaurants, and cultural attractions, alongside offering convenient transport links for commuting and exploring.

If you're looking for a more affordable new home in one of Cornwall's most sought-after and tranquil village locations, our shared ownership homes at Creekside could be your ideal fresh start.

Homes at Creekside will be sold in accordance with Section 106 local connection & affordability requirements.

Shared Ownership

Shared ownership offers you another way to buy a home. You'll buy an initial share, between 10% and 75%, of the home's value, and pay an affordable rent to Ocean Housing on the remainder.

Later, you can choose to buy further shares in your home, and in most cases work towards 100% ownership*.

If your household earns £80,000 or less a year, you are a first-time buyer, you once owned a home but cannot afford to buy one now, or you're a current shared owner looking to move-up the property ladder, then shared ownership could be the answer you're looking for.

S106 restrictions apply. Shared Ownership homes are sold as leasehold. Maximum Staircasing is scheme specific - *100% ownership may not be achievable on all developments. As the shared owner, you will be responsible for maintenance and repairs to your home.

Connections

To be eligible, applicants must be able to demonstrate a local connection to the Parish of Mylor in the first instance.

To demonstrate a local connection, applicants need to:

- Have been a permanent resident in the area for at least 3 years immediately prior to applying
- Be in full time, permanent employment (not on a seasonal basis) within the area for at least 3 years immediately prior to applying
- Have a close family member (mother, father, brother, sister, son or daughter) who is currently a resident of the area and has been for at least 5 years immediately prior to applying, and where there is independent evidence that the family member is in need of, or can give support on an ongoing basis.
- Have formerly been a permanent resident in the area for a continuous period of at least 5 years

Applications not meeting the required local connection criteria will NOT be considered.

The specification is the anticipated finish from the developer and may be subject to change as necessary and without notice. No additions can be agreed to the specification. Any photographs or CGIs are indicative of the quality and style of the specification and may not represent the actual fittings, furnishings or finishes at the development. The specification is not intended to form part of any contract or warranty unless specifically incorporated in writing into the contract. *The 12 month defect liability period begins upon the build reaching practical completion. Homeowners will be advised on the remaining liability provision at handover. Latent defects will need notifying to the Housing Association in the first instance for review
