Welcome to Nansledan

Introducing an exciting new opportunity for shared ownership on the edge of sought-after Newquay.

Built by Morrish Homes, these new properties combine convenience with coastal living, being within easy reach of Newquay Town Centre, which boasts a range of shops, bars & restaurants, along with a selection of world famous beaches.

Nansledan has it's own vibrant and beautifully designed community, including shops, a school and other amenities right on it's doorstep. The train station, airport, and proximity to the A30 make commuting and travel hassle-free.

Whether you're starting out, growing your family, or looking for something new, these thoughtfully crafted homes could be your first steps into shared ownership.

Homes at Nansleden will be sold in accordance with Section 106 local connection and affordability requirements.

Shared Ownership

Shared ownership offers you another way to buy your own home. You'll buy an initial share, usually between 25% and 75%, of the home's value, and pay an affordable rent to Ocean Housing on the remainder.

Later, you can then choose to buy further shares in your home, and in most cases work towards 100% ownership.

If your household earns £80,000 or less a year, you are a first-time buyer, you once owned a home but cannot afford to buy one now or are a current shared owner looking to move-up the property ladder, then shared ownership could be the answer you're looking for.

S106 restrictions apply.

Shared Ownership homes are sold as leasehold. Maximum Staircasing is scheme specific.

**100% ownership may not be achievable on all developments.*

As the shared owner, you will be responsible for maintenance and repairs to your home.

For more information on shared ownership, please refer to our 'Guide to Shared Ownership'
