## The Application

---

We've tried to make applying for one of our shared ownership homes as easy as we can. All you need to do is:

- 1 Complete and return our Registration of Interest Form, confirming how you meet the local connection criteria for the property.
- 2 Complete a full financial assessment to ensure that the property is affordable and sustainable for you, and to determine the share percentage to be purchased. Our financial assessments are carried out by The Mortgage People (TMP). For more information on TMP please visit their website at [tmpmortgages.co.uk](http://tmpmortgages.co.uk).

As soon as you've completed the steps set out above, we will check to make sure everything is in order.

If you're successful, we'll make a formal offer to you for one of our properties. At that point, you'll need to be able to demonstrate your local connection, and complete your full financial assessment with TMP.

Once that's done and provided everything is acceptable, we'll ask you to pay your £250 reservation fee to secure your new home, subject to contract.

It is important to note that until we have received all required documentation, we will be unable to consider you for these homes. If your application is incomplete, it will not be reviewed.
