Shared Ownership

Shared ownership offers you another way to buy a home. You'll buy an initial share, usually between 25% and 75%, of the home's value, and pay an affordable rent to Ocean Housing on the remainder.

Later, you can then choose to buy further shares in your home, and in most cases work towards 100% ownership*.

If your household earns £80,000 or less a year, you are a first-time buyer, you once owned a home but cannot afford to buy one now, or you're a current shared owner looking to move-up the property ladder, then shared ownership could be the answer you're looking for.

S106 restrictions apply. Shared Ownership homes are sold as leasehold. Maximum Staircasing is scheme specific - *100% ownership may not be achievable on all developments. As the shared owner, you will be responsible for maintenance and repairs to your home.

Connections

To be eligible, applicants must be able to demonstrate a local connection to the **Parish of St Erme** in the first instance.

To demonstrate a local connection, applicants need to:

- Have been a permanent resident in the area for at least 3 years immediately prior to applying;
- Have formerly been a permanent resident in the area for a continuous period of 5 years;
- Be in full time, permanent employment (not on a seasonal basis) within the area for at least 3 years immediately prior to applying
- Have a close family member (mother, father, brother, sister, son or daughter) who is currently a resident of the area and has been for at least 5 years immediately prior to applying, and where there is independent evidence that the family member is in need of, or can give support on an ongoing basis.

Applications not meeting the required local connection criteria will NOT be considered.
